States Theatres, Inc. is recog-  
nized as one who has given a  
life-time to mass entertainment.  
Because of this service he is well

keen interest in the building of  
the new Grand here and will be  
on hand tonight at the opening.

As vice-president of Pacific States Theatres, Inc., Mike Gore has made an enviable record as an outstanding theatre director. With his brother, A. L. Gore, he assisted in organizing the old Fox West Coast Theatre chain of show houses and is widely known in Southern California, movie and center, as being among the most efficient motion picture theatre organizers and executives in the industry today.
